FOREWORD

The Class of 1951 sincerely hopes that you will enjoy many happy hours with your Buffalo. We have endeavored to present a publication which reflects the ideals and aspirations of Milligan, and those who make it possible. When those who own this annual are reviving forgotten memories by each turn of the page, we hope you will remember that its theme is campus life and activities.

DEDICATION

To one who diligently served his students during his four years at Milligan; who guided them with wisdom and understanding; who faithfully promoted the ideals of Milligan College; we, the Senior Class of 1951 dedicate this annual.

IN MEMORIAM

"We are the richer for having known him. We are the poorer in his passing."

Professor C. Hodge Mathes had taught at Milligan College for only a short time but in that brief interval he had come to be loved and admired by all those who knew him.

Milligan College pays tribute to one who brought enriched understanding, kindness, and brotherhood to the life of the campus without minimizing high standards of scholarship, and created at the same time a love for learning which is the supreme achievement of the teacher.

THE CHOIR

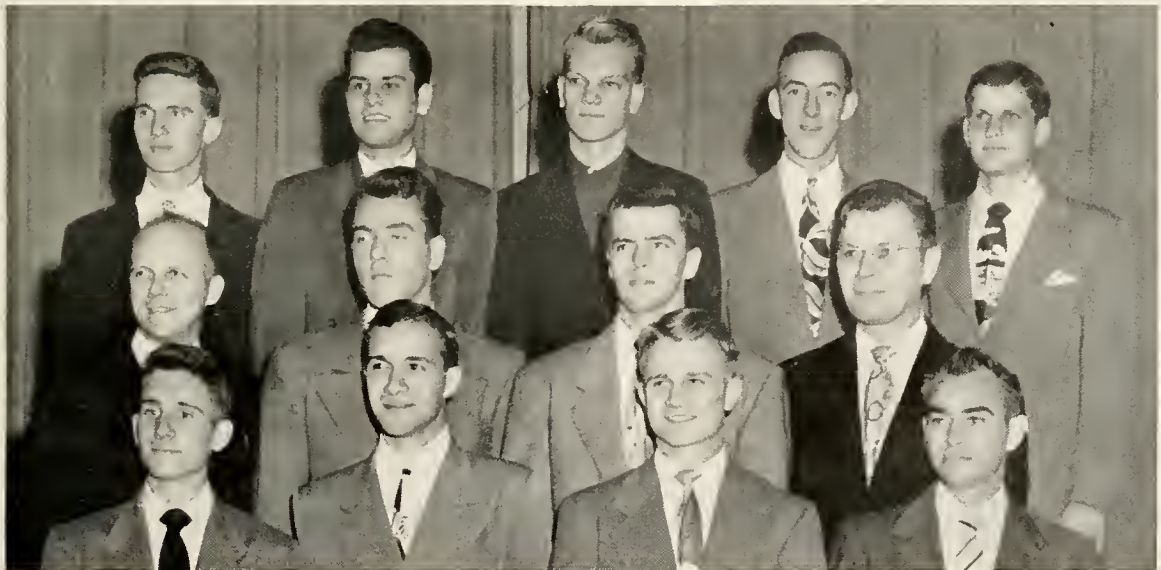

The Milligan College Choir is in its fifth year of activity. At present, the choir is under the direction of Miss Ruth White, with Miss Janet Catlett as accompanist. During the first semester, two major programs were presented in the college auditorium. On the lighter side, the choir enjoyed giving a college minstrel. And in contrast, the ever-beloved Christmas story was given in pageant and song. The second semester the choir toured through the Northeastern states. Other concert programs were given by the choir during the year.

MUSIC AT MILLIGAN

MEN'S CHORUS

A new organization to the college this year--still in its embryonic stages is the Men's Chorus. This group also participated in the minstrel, Christmas Pageant, and several chapel programs during the year. We have high hopes for the growth of this fine organization.

RELIGION IS A WAY OF LIFE

Christian Education is the hope of the world—the motto of Milligan College. The religious life of our school is centered around this motto. We seek to provide a Christian atmosphere for students taking every field of work Milligan offers. This Christian liberal arts college seeks to have the principles of Christian living permeate the lives of every student—doctor, minister, secretary, teacher. All of the religious activities on the campus are for the purpose of bringing each student closer to God and the realization that only through God can one find true peace and happiness with his neighbors and himself. We fully realize the importance of education in the lives of young people today, but we feel that education in itself is not enough. It is **Christian Education** that is the hope of the world.

Convocation at Milligan was held on September 17, 1950. This calling together of the students after the summer vacation took the form of a very impressive service. The service took place at the Hopwood Memorial Church at 11:00 A.M. Members of the faculty were in academic robes and formed a processional with the members of the senior class. Special music was given by Miss Ruth White with Dr. Walker, president of the college, delivering the message of the morning.

CHRISTIAN SERVICE

One of the largest clubs at Milligan, the Christian Service Club is the spiritual powerhouse on the campus. It seeks to promote Christian activities on the campus.

THE CAPTAIN

The Buffs chose an excellent leader in Cliff Winters. A senior from Johnson City, Cliff had three years of varsity football under his belt when he took over as captain in early September. Cliff possesses fine cooperative spirit and was respected by teammates and opponents alike. He was placed on the V. S. A. C. All Star team as defensive center. A great team man, an able leader and fine fellow all added up to a job well done. Thanks, Cliff.

Managers: John Ammerman, Amon McSwords, Tom Hawes, J. T. Moore.

MILLIGAN BUFFALOES

Thirty-four Buffaloes, including nineteen lettermen, greeted coaches Eddie Olds and Frank Spraker for the opening session of the '50 edition of the Thundering Herd.

The initial tilt with bowl-bound Emory & Henry was a classic example of the many against the few. The Buffs were trailing by only 6 points at the half, but faded after the intermission before superior numbers, as Emory rolled to a 41-0 victory. The following week the Buffs travelled to Middle Tennessee State and lost to the Raiders by a score of 47-6. Again the Buffs trailed by only 6 points at half-time, but could not keep pace after the rest period. On October 7th the Herd appeared before homefolks and rewarded them with a 20-0 victory over Tusculum. It was a hard-fought ball game and a deserving victory for the Buffaloes. Stetson University furnished the opposition the following week and conquered the Buffs 41-0. It was a 14-0 ball game at the half with the whole Milligan line playing good football. Stetson capitalized on intercepted passes and converted them into touchdowns to nail down the Buffs' third loss. Calhoun, Winters and Jones were outstanding for the Buffs. The hepped-up Buffaloes climaxed Homecoming activities with a well-earned 7-6 victory over Austin Peay State. This was the Buffs' finest game to date, and they deserved to win.

The Orange and Black really showed their colors in a 7-7 tie with the highly favored Carson-Newman Eagles. It was at least a moral victory for the Buffs in a bitterly fought contest that featured vicious line play, terrific blocking and a thrilling finish. The following week the Buffs dropped a close one to the Newberry Indians by a score of 6-0. The Buffs were just naturally "down" after two successive top-notch games. They got back into the win column the following week by trouncing Concord College 26-0. Haines, Adkins, and Scaringi were the defensive standouts while Lambert, Hillier, Spraker and B. Beeler furnished most of the offensive punch. The favored Buccaneers of E. T. S. C. were highly "buffaloed" by an outmanned but fighting Milligan eleven the following week. The 6-6 stalemate climaxed the season for the Buffs. The game was as even as the score indicated. Both teams had one touchdown called back. Milligan's line play was excellent with Ace Adkins, Dumisinecz and Don Jones as the mainsprings. Hillier, B. Beeler and Bernat were the standouts on the offense. Frank Williams' punting and Dumisinecz' ball handling were added assets to the Buffs throughout the season and they deserve much credit. Lambert, Jones and Grindstaff gained berths on the All V. S. A. C. offensive eleven, and Winters and Hillier were named to the defensive team. Lambert, Jones and Grindstaff were also named to the All S. M. A. C. eleven.

The boys were often outmanned and often beaten, but they were never without fighting spirit and we're proud of them!

THE BUFFALOES PLAY BASKETBALL

Despite a mediocre record, the Milligan College Buffaloes turned in another season of thrilling play, which was not without its brighter moments. The Buffs suffered from ineligibility, mid-term graduation, and losses to the service throughout the year.

The Herd was paced by its brilliant captain, Sid Hathaway, who maintained a phenomenal point average per game, besides leading the team with his aggressive, inspirational play. Sid who is 5'10", showed that there is room for the small man in fast competition, for he ranked among the highest scorers in the nation.

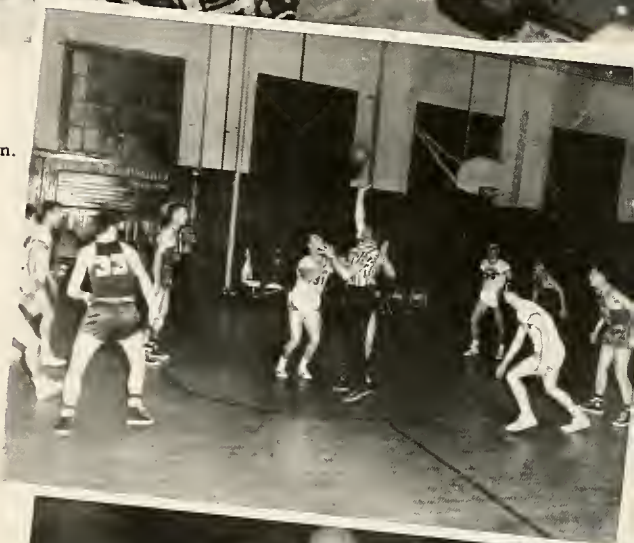

Another basket

May the best man win.

The offensive threats for Milligan were Sid Hathaway, Frank Dumisinez, and Sam Pridon, while these, along with Kyman Grindstaff and John Ammerman, an alert ballhawk, presented a stiff defense. Mack Wolfe, Phil Roush, Glen Boatwright, and Sam Greer turned in valuable efforts as subs.

Coach Eddie Olds was hampered by the world crisis, which kept the varsity in a state of flux.

INTRAMURAL COUNCIL

Director T. P. Jones
 Men's Director John Ammerman
 Women's Director Sally Bellamy

Milligan's Intramural Council has been one of the most active organizations on the campus this year. The council was organized by the physical education majors for the purpose of providing the students of Milligan with a well-rounded program of intramural activities throughout the entire year. Both men and women's programs were in operation and included the four major sports for men: football, volleyball, basketball, and softball. The women's program included badminton, basketball, volleyball, and softball. During the month of March the intramural program was dominated by special events which catered to the desires of the students.

Through the medium of these activities, the intramural council attempted to convey to the student body the physical, leisure, and social aspects of an intramural program.

The members of the council were physical education majors and they were assigned individual sports to direct and organize. In this way the majors received invaluable experience and Milligan was afforded with a well-rounded intramural program that reached the majority of the students, both men and women.

HOMECOMING

Honoring alumni and friends of the college, the week of October 16th to 21st was observed as Homecoming Week at Milligan. An alumni tea was held in Hardin Hall on Saturday afternoon. Different activities under the direction of the student council, included a parade through Johnson City before the Homecoming Game, coronation of the Homecoming Queen at the half, and a party in Cheek Gym, following the game. Climaxing the events of the week was the football game on Saturday night between the Buffaloes and Austin Peay.
